**Re: Environmental Compliance Approval Application
Waste Management of Canada Corporation - West Carleton Environmental Centre
Ottawa, Ontario
RWDI Reference No. 1302177**

Dear Director of Approvals,

Please find enclosed two copies of the completed application for Environmental Compliance Approval and supporting documentation for West Carleton Environmental Centre at 2301 Carp Road in Ottawa, Ontario. An additional copy of this package has been sent to the District Office.

The complete package includes an Emission Summary and Dispersion Modelling (ESDM) report that satisfies the requirements outlined in O. Reg. 419/05 and the Ministry of Environment's "Procedure for Preparing an Emission Summary and Dispersion Modelling Report", Version 3.0, dated March 2009. In addition to the ESDM report, the following MOE forms are attached as supporting information for the application:

- Environmental Compliance Approval Application Form (and supporting information)
- Supporting Information for a Maximum Ground Level Concentration Acceptability Request for Compounds with No Ministry POI Limit, PIBS 4872e
- Request for Approval under s.13(1) of Regulation 419/05 for Use of Site Specific Meteorological Data, PIBS 5350e
- Request under Section 20(4) to have the Schedule 3 Standards Apply in Advance of the Date Required under Regulation 419/05, PIBS 5355e

Information supporting compliance with noise and vibration guidelines is provided in the Acoustic Assessment Report, including signed checklist (PIBS 5356e).

This document is intended for the sole use of the party to whom it is addressed and may contain information that is privileged and/or confidential. If you have received this in error, please notify us immediately.
