

**West Carleton Environmental Centre  
Environmental Assessment Report  
January 21, 2013 Amendments**

Amendments made to the Final West Carleton Environmental Centre (WCEC) Environmental Assessment (EA) Report in January, 2013 are described in the sections below.

**Chapter 2 – Overview of Environmental Assessment Process and Study Organization**

Amendments to Chapter 2 relate to the removal of reference to preparing the EA in accordance with subsection 6.1(2) of the Ontario Environmental Assessment Act (OEAA). These amendments apply to the following pages:

- 2-3
- 2-4
- 2-8
- 2-9
- 2-10

**Chapter 6 – Detailed Impact Assessment of the Undertaking**

Amendments to Chapter 6 include the addition of *Section 6.8 – Extended Service Life*, describing the consideration of an extended service life in the detailed impact assessment of for each environmental component, and *Section 6.11 – Advantages and Disadvantages of the Undertaking*, describing the advantages and disadvantages to the environment of the Preferred Undertaking compared to the ‘do nothing’ alternative. These amendments apply to the following pages:

- 6-166 – 6-168
- 6-186 – 6-189

**Chapter 7 – Public and Agency Consultation**

The amendment to Chapter 7 is the clarification in *Section 7.8 – Commitments for Ongoing Consultation* regarding with whom ongoing consultation activities will be undertaken. This amendment applies to the following page:

- 7-98

**Chapter 8 – Monitoring and Commitments for the Undertaking**

Amendments to Chapter 8 relate to the replacement of any reference to developing an Integrated Gull Management Plan (IGMP) with finalizing the IGMP as outlined in the Detailed Impact Assessment stage. These amendments apply to the following page:

- 8-14

**Appendix B – Approved Terms of Reference Requirements and How They Were Addressed in the Environmental Assessment for a New Landfill Footprint at the West Carleton Environmental Centre**

Amendments to Appendix B include the removal of reference to preparing the EA in accordance with subsection 6.1(2) of the OEAA, and the addition of more detailed references to where Terms of Reference commitments have been addressed within the EA Report.
