**RE: West Carleton Environmental Centre Environmental Assessment
Compliance Monitoring Program and Annual Report
EA File No. 02-08-02**

Dear Mr. Murphy:

Thank you for your June 30, 2015 submission of the 2013 & 2014 Compliance Monitoring Report for the West Carleton Environmental Centre Environmental Assessment.

The Ministry of the Environment and Climate Change has conducted a preliminary review of the report. The ministry's review found that the information in the report meets the requirements outlined in the Environmental Assessment Act conditions of approval. Please note that this acknowledgement of submission does not limit the ministry's ability to review the reports in more detail at a later date, or to require an audit.

The 2015 Compliance Monitoring Report is due March 31, 2016. Please include a column in Table 1 indicating satisfaction of the compliance objective, and an implementation schedule of compliance objectives in future reports.

Should you have any questions, please contact Andrew Evers, Special Project Officer of the Environmental Approvals Branch at 416-314-7213 or andrew.evers@ontario.ca.

Yours sincerely,
